

Rochester FSDO FAASTeam presents:

FAASTeam Flight Instructor Open Forum

At this open forum, we will discuss how to avoid loss of control (LOC) and how to teach risk strategies to prevent LOC. This interactive presentation also leads the participants in a discussion of best practices for developing evaluation scenarios and how to effectively teach. It allows FAASTeam Program Managers and designated FAASTeam Representatives together with CFIs and DPEs to discuss the benefits of teaching loss of control. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Click the link below and register TODAY. We also encourage the pilot population to attend. Seating is limited.

Directions: At the BUF Airport, just off Aero Drive at Mercy Flight's main location classroom in the former Flying Tigers Restaurant building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
